Candidate Information

Overview

Founded in 1891 Leweston School is a co-educational Catholic independent day and boarding school in Dorset for pupils aged 0 to 18.

Situated just outside Sherborne in 46 acres of beautiful parkland, the school offers holistic education in an inclusive community where first-class pastoral care and wide-ranging co-curricular opportunities underpin a supportive and rigorous academic offer. The school seeks to produce well-rounded pupils with a genuine interest in education in the broadest sense of the word, with interests that stretch beyond the confines of the academic curriculum. The school has strong traditions in music, drama, art, debating, community activities and sport. There are many co-curricular activities, all of which are important in developing a well-balanced, confident individuals.

The school was originally founded as St Antony's and located in Sherborne. In 1948 the demands of the Education Act saw the move of the senior pupils to Leweston Manor with the Prep School continuing in Sherborne until 1993 when the whole school was reunited once again on the Leweston campus. The younger pupils took up residence in the redesigned Coach House. The school amended its name in 2007 to Leweston School.

Today the school educates just over 600 pupils with 90 in the Nursery, 170 in the Prep and 340 in the Senior School. There are approximately 100 boarders, the majority being in the Senior School.

Leweston is a thriving, busy community which has high expectations of its pupils. Whilst the assessment process is not based entirely on academic performance Leweston is increasingly over-subscribed. Pupils are offered places on the basis of school assessments, positive references and their generally suitability for the values and ethos of the school.

Our Values

Leweston School's three core values are **community**, **opportunity** and **expertise**. They are underpinned by our Catholic foundation, which welcomes all faiths and none, building a strong sense of unity, courtesy, respect and affection. Everything we do comes from a place of self-worth and dignity.

- **Community** means being part of a collective. It's essential for every student to feel that they are an important part of the Leweston family and contribute to the life of the school. This same sense is extended to their parents and guardians.
- **Opportunity** is in abundance. We are proud of our zest for life and instil a willingness to try everything and to learn from our failures. This discovery of strength and weaknesses, and the support we provide to students in exploring it, enables them to develop the determination to persevere – a real lesson in preparation for life beyond the school.
- **Expertise** means having an expert skill or knowledge in a particular field. We have an exceptionally talented staff team, who have outstanding expertise and enthusiasm to inspire in others a love of learning and to share their passion for areas of specialism.

Our Campus

With extensive grounds surrounding a beautiful Georgian Manor House, Leweston provides a location which whilst being safe, is close to a town with good transport links to London and South West airports. Within the 46 acre estate sits our swimming pool, a full-sized all weather pitch, a walled garden play area, Enchanted Wood Forest School, tennis courts as well as a wealth of historical features including work by Thomas Mawson and George Sherringham.

The range of buildings on site spans several architectural epochs. The historically important Trinity Chapel is one of the first post-Reformation churches in the country. The Palladian manor house, was built in the late 18th century with Art Deco interior refurbishments and later additions including dining, boarding and teaching wings.

The Prep School is housed in the former Coach House with its own Pre-Prep Garden, tennis courts and play area.

The Prep School

Leweston Prep consists of the Nursery, Pre-Prep and Prep divisions. The school shares a single 46-acre campus with the Senior School and has pupils aged 3 months to 11 years old. It is co-educational all-through school.

Nursery is divided into four age-defined units: Babies, Toddlers, Transition One and Transition Two. Each unit has a specific Room Leader.

The Prep School's staff is comprised of 21 teachers and 5 teaching assistants alongside visiting music teachers, coaches and volunteers. Each Pre-Prep class is led by a Form Tutor supported by a teaching assistant. From Prep 4 when the year group grows to two classes, each has its own a Form Tutor supported by additional part-time staff. The normal maximum class size in the Prep School is 20 with one class in Reception to Prep 3. If numbers allow, Prep 4 splits into two classes, a model which continues for the remainder of the school. Classes are not set.

Leweston School as a whole has 170 employees including academic and support staff.

Staff foster excellent relationships with the students and are committed to supporting the provision of extra-curricular clubs, House activities, school trips and other events.
