## Overview

Founded in 1891 Leweston School is a co-educational Catholic independent day and boarding school in Dorset for pupils aged 0 to 18.

Situated just outside Sherborne in 46 acres of beautiful parkland, the school offers holistic education in an inclusive community where first-class pastoral care and wide-ranging co-curricular opportunities underpin a supportive and rigorous academic offer. The school seeks to produce well-rounded pupils with a genuine interest in education in the broadest sense of the word, with interests that stretch beyond the confines of the academic curriculum. The school has strong traditions in music, drama, art, debating, community activities and sport. There are many co-curricular activities, all of which are important in developing a well-balanced, confident individuals.

The school was originally founded as St Antony's and located in Sherborne. In 1948 the demands of the Education Act saw the move of the senior pupils to Leweston Manor with the Prep School continuing in Sherborne until 1993 when the whole school was reunited once again on the Leweston campus. The younger pupils took up residence in the redesigned Coach House. The school amended its name in 2007 to Leweston School.

Today the school educates just over 600 pupils with 90 in the Nursery, 170 in the Prep and 340 in the Senior School. There are approximately 100 boarders, the majority being in the Senior School.

Leweston is a thriving, busy community which has high expectations of its pupils. Whilst the assessment process is not based entirely on academic performance Leweston is increasingly over-subscribed. Pupils are offered places on the basis of school assessments, positive references and their generally suitability for the values and ethos of the school.

## Our Values

Leweston School's three core values are **community**, **opportunity** and **expertise**. They are underpinned by our Catholic foundation, which welcomes all faiths and none, building a strong sense of unity, courtesy, respect and affection. Everything we do comes from a place of self-worth and dignity.

- **Community** means being part of a collective. It's essential for every student to feel that they are an important part of the Leweston family and contribute to the life of the school. This same sense is extended to their parents and guardians.
- **Opportunity** is in abundance. We are proud of our zest for life and instil a willingness to try everything and to learn from our failures. This discovery of strength and weaknesses, and the support we provide to students in exploring it, enables them to develop the determination to persevere – a real lesson in preparation for life beyond the school.
- **Expertise** means having an expert skill or knowledge in a particular field. We have an exceptionally talented staff team, who have outstanding expertise and enthusiasm to inspire in others a love of learning and to share their passion for areas of specialism.

## Our Campus

The Prep School is housed in the former Coach House with its own Pre-Prep Garden, tennis courts and play area.

Pupils are encouraged to develop five key characteristics. They are asked to be: confident, inquisitive, adventurous, resilient and creative. We embed this philosophy in all our teaching and learning and ensure that the language of Leweston Learner sits at the heart of every lesson.

This is combined with a House system that links the Prep and Senior schools, forming strong bonds across the year groups.
